PROGRAM

A/2C Kenneth Hartfield, from MARS station at Lackland AFB, will bring our program for this week. His subject will be entitled "Message Handling". There should be some interesting information for every one.

TIME: 8:00 PM November 18,1955
PLACE: Woodlawn Lake Clubhouse
(Cincinnati Ave, just west of Zarzamora)

TRANSMITTER HUNT

We have a new winner this time as Carl Zettner,W5HFG, came in with the lowest mileage, beating by about 1 mile. The next lowest was John Hunt, W5DKK, and third was W5THU, Ralph. Carl has hunted several times, but the last two times he and his dad came very close to winning. (Wonder how he uses that long wire antenna). Hunters meet at South end Olmos Park, Sunday, November 20, at 1:30 PM.

CHRISTMAS PARTY

Plans are well under way for the annual Christmas Party. DATE is December 16, at 7:00 PM at Wolf's INN on Fredericksburg Road. Get your reservations NOW as they must be in by the 9th December. Be sure to bring a gift for the tree. OM's bring gifts suitable for the men and YL's and XYL's bring one suitable for the ladies.

GUTTER SWEEPINS

John,DKK, finally got all (?) the bugs out of the big rig----How does the NC-300 work, Benny, FZA---- LUU, Derwin and XYL off to Dallas for the week end---- JHH, Bob, ill and was home for a while---- RSD, Bob, has a new slant on how to work China and Japan.
